New Residential Condominium Contract (Completed Construction)

TXR 1608

Residential Contracts

What this form is for

Designed for sales of newly constructed condominiums when construction is complete. May also be used for sales of new condominiums constructed as conversion buildings (when the prior use of the building was not for condominiums). Not to be used where buyer receives sole ownership of land beneath the unit (e.g., townhomes). Appropriate addenda may be attached. TREC, by policy, considers “new” to mean that the property has never been occupied. After initial occupancy by a homeowner or tenant the property is considered a resale. Not to be used for transactions known as “contracts for deed,” “wraps,” or “lease purchases.”
